CSCS Card Using the Fast Track Profiled Route

Thank you for showing your interest in our Profiled Route Black and Gold CSCS Card service (non-NVQ). Below is the price and the cost comparison of getting your Black or Gold CSCS using the profiled route versus the traditional NVQ route. Please feel free to contact us if you have any further questions at training@academygroupuk.com.

Academy Training Group is an accredited construction training provider that delivers a range of Construction qualifications. The CSCS Fast-track (non-NVQ) Profiled route has been designed and introduced in response to the demand for a route to a CSCS card for highly competent Commercial Construction Site Supervisors and Managers achieved without the need to complete an NVQ qualification.

This route is available for Construction Site Managers (black card) and Construction Site Supervisors (gold card) only. Below is a quick comparison between the NVQ Route and the Non-NVQ Profiled Route in achieving your CSCS Black or Gold Cards.

NVQ Route	Profiled Route
£1950 to £3000+ (Level 3 – Level 6 NVQ's)	Just £1,350
